Good Morning K'Aun:

This letter came to me yesterday afternoon. It appears the Crime Victim's Reparation has paid the victim's Loss of Wages in this case. However, it looks like they paid more than the victim originally requested from us. Our office was not made aware of this until after sentencing and the documentation came in yesterday. If I remember Judge Browning closed the restitution on this matter; however, I still need to notify the court and find out how the Judge would like us to proceed. Thank you

I will not be able to send a letter with the total of \$12,111.12 until next week since it was recently

processed. Is that ok?

Yes, please send me a letter including the updated figures. The defendant was sentenced today and the Judge ordered him to pay CVRC \$7,000, but we may be able to update that figure.

Anita,

We will be reimbursing Michael the following:

Loss of wages (16 weeks) \$4,800.24

Timeframe for loss of wages is September 1st to December 29, 2014 (date doctor signed return to work status form). The week of the trial was not included because we already reimbursed him for that.

Travel to UNM for medical appointments (5 trips) \$175.00

8/11-11/3/14

It may take up to six weeks before Michael will receive his check for loss of wages and travel.

To date, we have paid out \$12,111.12. Do you need a letter from our agency itemizing what we have paid for restitution?

Samantha,

Did the Board approve lost wages payment to Michael last week and if so, what was the amount and time period? Thank you.
